A Chara,

St. Kevin's GAA club are in the process of developing a strategic plan for the next 5 years. This process is starting in May 2015 and will be completed by the end of the summer this year. The strategic plan will be cornerstone for the club to develop their facilities in Staplestown in the next 5 years. This will be done on a phased basis over the 5 years and include the provision of two new playing pitches, four new dressing rooms, an all-weather 5 a side pitch, car parking facilities and entrance.

The club is committed to providing their facilities to local organisations and the wider community and will continue with this policy in the future. This will be further enhanced under the strategic review by the club. The club is very anxious to hear from members, the local community and local organisations on any ideas that would help the club and the wider community.

We would like to invite you to a meeting which we are holding in the hall on Friday 15th May at 8.00pm to listen to the views of all concerned and will incorporate these views in our strategic review process. This meeting is open to all members, local organisations, clubs and anyone in the community who wish to attend.

We believe that this meeting will give everyone the opportunity to contribute and ensure that the club will continue to be able to provide a top class facility to all in the community.

We are looking forward to seeing you on the 15th.

Mise le meas,

Alice Casey (Rúnaí)
