WEBSITE: We've done huge work on our website over the past few weeks and have a very up to date site currently, it's also mobile friendly which makes for a better overall viewing experience. We'll be adding a gallery in the next few weeks and you can also subscribe to our weekly club notes there as well!

FACEBOOK: Our Facebook page needs your likes, if you read something and it's of interest please don't forget to click 'like' - it means more people will see the posts from the page and it's a very small way to help the club when it comes to promoting events. Also you can now 'Check In' to Facebook in the clubhouse which again helps us!

TWITTER: Follow all our news and updates on Twitter, also we will 'live tweet' from as many games as possible using the hashtag **#TheSaintsKildare** – it's a great way to keep up to date with the club news and feel a part of the games.
